Dear Friends of Good Samaritan Boys Ranch,

On behalf of the Good Samaritan Boys Ranch, we are honored to serve as Event Hosts for the 2018 Round Up for The Ranch – the annual dinner and party to benefit this great charity based in the Ozarks that will be held on April 6, 2018. Round Up for the Ranch will feature a fun evening of western themed food, auction, dress, décor and music while raising funds to help troubled youth from across Missouri.

We are back at Springfield Riding Club which creates a unique atmosphere for all attending. Situated south-east of Springfield on Highway NN, this venue brings a true ranch experience for our guests. The club offers a chance to meet and greet our ranch horses for photo opportunities, enjoy dinner and dancing in a premier stable located in the beautiful Ozarks and bid on a variety of western themed items including premier live-stock raised by the Good Samaritan Boys Ranch.

All proceeds will further the mission of Good Samaritan Boys Ranch – “Creating hope and opportunity for youth with challenges within a safe and caring environment.” The campus in Brighton has been home to boys since 1959 providing a non-threatening home where boys ages 12-18 can heal and return to the community as healthy, productive citizens. In Springfield and Willard, the Good Samaritan Boys Ranch also helps youth aging out of the foster care system that need a support system to learn to live independently in the community. Darr House and Laura’s Home serve boys and girls ages 16-21 in group homes and apartments with the goal of preventing homelessness among our youth.

Youth are our future and your support of the work at Good Samaritan Boys Ranch will help create a brighter future for our communities. Please join us on April 6, 2018 as a sponsor, donor and friend of the thousands of kids who will benefit from the work of the Ranch. We hope to see you there!

Sincerely,

Rob and Sharon Ballowe
